

Compete against AWS Sagemaker AI in a BattleSnake video game

AWS Compete & Sponsor at
BattleSnake 2020 AI Competition

aws AI/ML Training

BattleSnake Competition
March 15th 2020

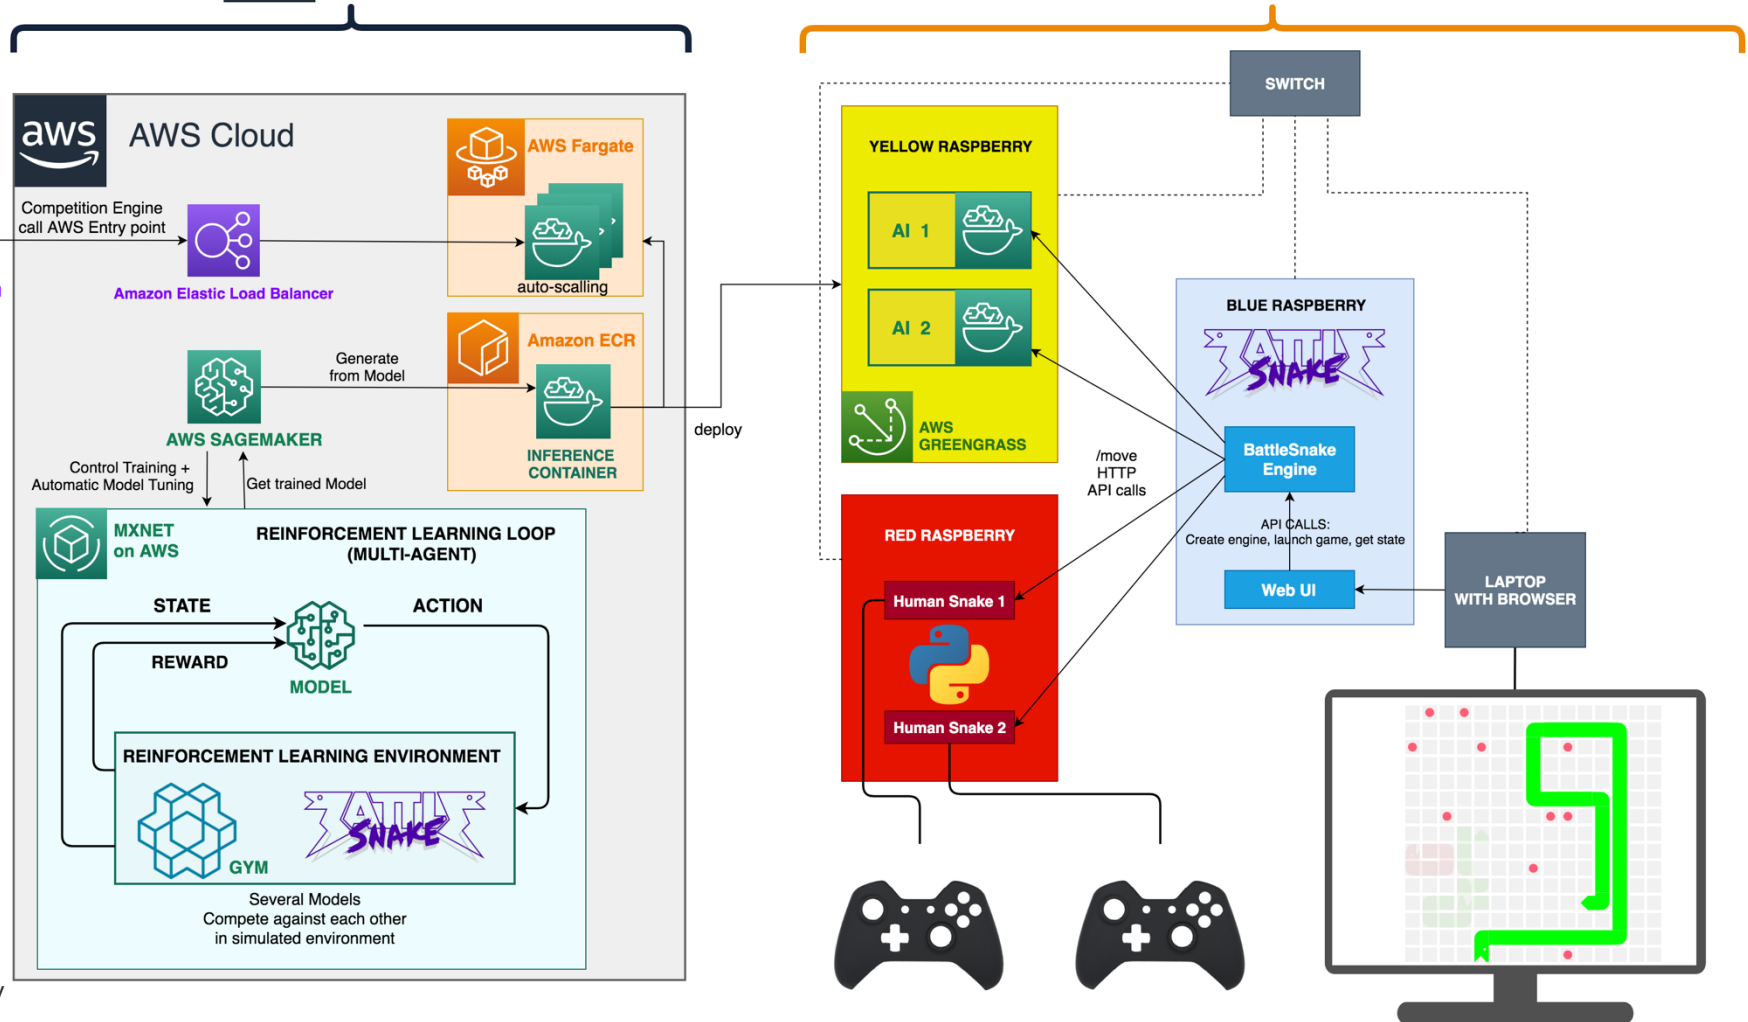

About

BattleSnake is an international AI competition. All snakes in the game are control by an AI

AWS is a Sponsor of the event and competitor in the Sponsor category

AWS MXNet Team have built a snake AI with Sagemaker for the competition

For the re:Invent 2019 Builder's Fair AWS Solutions Architect have created "human snakes" controlled by a game pad and created the first human/AI BattleSnake compete environment

Can you beat the machine?
